

Extra Credit Opportunities

***** 20 points maximum per quarter**

- 1.) **Crossword or Word Find Puzzle** – 5pts each
(A Maximum of Two Puzzles per Quarter can be made)
 - Using a minimum of 15 Vocabulary words out of any chapter in the book that we have not covered.
 - Can be computer or hand generated.

- 2.) **Poster Project** – 10 pts.
 - The poster can be made on any topic involving Earth Science that we have not covered yet.
 - Poster needs to include pictures, descriptions and be eye appealing (organized / color)

- 3.) **Power-Point** - 10 pts
 - 10 – 15 Slides minimum, using any topic in the textbook on Earth Science.
 - Power-Point may be emailed or shared on Google Drive.

- 4.) **Current Science** - 5pts. / page (Double Space Typed)
 - Read an old current science magazine and write a reflection on one or more of the articles. (Magazines are in my room)
 - Points are based on reflection length (5 pts / page), not the number of articles reflected upon. Use as many different articles to achieve the number of extra credit points desired.

Good Luck – Extra credit can definitely make a difference!
